EDUCATION

Carnegie Mellon University
Aug 2024–Aug 2025 | Pittsburgh, PA
Master's in Human-Computer Interaction (MHCI)

Georgia Institute of Technology
Aug 2020–May 2024 | Atlanta, GA
B.S. in Industrial and Product Design
Minor in Psychology

EXPERIENCE

Honda Research Institute (Capstone) | Design Lead
Jan–Jul 2025 | Pittsburgh, PA
Directed a multidisciplinary team in designing a multi-agent AI platform to support ethical decision-making in manufacturing and robotics

Synthesized insights from 40+ executive interviews into design principles and guided iterative prototyping/testing, boosting decision confidence

Southwire | Design Thinking Intern
Jun–Aug 2023 | Atlanta, GA
Led research on new business opportunities and presented findings and strategic recommendations to executives

Facilitated a cross-organizational design thinking workshop to foster collaboration between Southwire and a university partner

Co-created a training session on design thinking for 150+ technical leaders, driving adoption of user-centered practices

PROJECTS

Community Emotion Cloud App
Aug–Dec 2024 | Pittsburgh, PA
Designed a platform to encourage students' emotional literacy

Everymind Mental Health Experience
Jan–May 2024 | Atlanta, GA
Created an interactive experience for mental health skill-building

IHG Site Redesign
Sep–Dec 2023 | Atlanta, GA
Optimized IHG's hotel booking experience, increasing personalization

SKILLS

Design + Research
UI/UX design
Interaction design
Product development
User research
Usability testing
Ethnography
Rapid prototyping
Wireframing
Visual design
Branding

Tools
Figma
Adobe Creative Suite
SketchUp
Fusion 360
Keyshot

Technical
HTML
CSS
JavaScript (front-end)

Strengths
Empathy-led
Critical thinker
Communicative
Detail-oriented
Self-driven

Languages
English (native)
Spanish (proficient)
